INSTALLATION / MAINTENANCE ISSUE

For the Attention of : Service Engineers, Installers, Trade Customers, Testers,
Training Dept, H & S Manager

Date : 14th Sept 2011

Product : Maxilift Hydraulic

Subject : Hydraulic Oil Ram Overflow Container

Pages :

Originator : Stannah Lifts Ltd, Anton Mill, Andover, Hants SP10 2NX 01264 339090

Introduction:

Due to additional deliveries on site and following discussions it has been decided that the current clear hydraulic oil ram over flow container will be replaced with the supplied oil containers, **starting from assembly week 10/10/11.**

Details of the component:

The clear overflow container part number 500275 is now replaced with the supplied oil container as shown below.

Clear Oil Container

Supplied Oil Container

Exceptions

Where an installation of a glass lift or shaft is apparent then the clear overflow container will be used instead of the supplied oil container.
